

Please join us on Saturday, March 20, at the fabulous
NEW Fontainebleau Resort to celebrate our fantastic Founders Family!

The critics are raving... and so will you!

Welcome to your very own private members club!

This year's Founders Celebration is a departure from the "Black Tie Balls" of previous years...

We're creating an elegant and opulent nightclub and hosting a Great Party where we'll celebrate the great success of Mount Sinai Medical Center, pay tribute to our dedicated supporters, and welcome new members into our Family.

* The party begins as you step onto the red carpet and into the ballroom. There, the Rat Pack will entertain you during hors d'oeuvres and dinner from 7 – 9 p.m.

* Our new members will then be installed and the FabFour will take over with their great show and lots of dancing.

* Dessert will be presented as our DJ brings on the beat of the '70s and beyond...with even more imbibing and indulging.

EAT...

Everything that you'd expect to find at an upscale cocktail party and more, while seated at your reserved table or relaxing on a sofa by one of the many bars! **No waiting for that questionable entrée to be served hours after your normal dinner time.**

DRINK...

Cocktails, champagne and great wines served throughout the evening as you mix and mingle to the sounds of the **Rat Pack** – or take a spin around the dance floor while Frank, Dean and Sammy sing.

DANCE...

To the sounds of the **FABFOUR** – the ultimate Beatles tribute band guaranteed – as they transport you back to **Yesterday** whether you just tap your toes or **Twist and Shout**. **Ed Sullivan** himself will be there to **Hold your Hand**

or provide any **Help!** to make sure that you **Feel Fine**, which we know you will **With a little help from (your) friends.**

Imagine!
